Standards & Certification

June 2014

To whom it may concern.

RE: CE Marking for assembled bolt sets

All Grade 8.8 assembled bolt sets from UK Fixings for the Construction Industry now come with CE marking to comply with EN 15048.

They are supplied to order from the manufacturer/importer/distributor and are fully traceable.

RE: Non-assembled bolts

All non-assembled bolts and setscrews from UK Fixings comply with the appropriate DIN/ISO standards, where requested. A certificate of conformity can be supplied, if requested at the point of order. Due to traceability requirements, this cannot be supplied after delivery.

Full certification can also be supplied at extra cost, if requested at the point of order.

For any further clarification, please contact any member of our sales team.
